

## Bronze Package

### Basic Plan – Three Rooms

14 hours of design consultation: \$1,350

- 2 hour home visit where we gather information about your needs. You select the three rooms among your living, family, media, laundry and/or bedrooms to be (re)designed. We also gain an understanding of your lifestyle, tastes, and desires. The spaces you select are measured and pictures are taken.
- 6 hours of basic design concepts for your selected three rooms. This design plan could include:
  - A) floor covering options
  - B) paint color and finish selections for your walls
  - C) window covering product selection
  - D) furniture choices
  - E) lighting mixtures
  - F) artwork and accessory selection
- 6 hours of in-home design project management. This implementation could include:
  - A) floor covering installation
  - B) paint application
  - C) window covering installation
  - D) furniture delivery reception and placement
  - E) lighting installation
  - F) artwork and accessory installation and placement
- As you indicate interest, my *Feng Shui eyes* will help with every step of the design process.

## Silver Package
